Only One Story for All Stories

Morality occupies extreme significance. The reason is that morality is the foundation of good human culture. All the seers, sages and scholars taught morality in their sermons. Every religion propagates morality. Narrating moral story is the most primitive method of teaching morality. Aesop's adopted this method centuries ago. It is a famous proverb.

اخلاقیات کو انتہائی اہمیت حاصل ہے۔ وجہ یہ ہے کہ اخلاق حسنہ انسانی تہذیب کی بنیاد ہے۔ تمام اولیاء، مشائخ اور علماء نے اپنے خطبات میں اخلاقیات کا درس دیا۔ ہر مذہب اخلاقیات کا پرچار کرتا ہے۔ اخلاقی کہانی بیان کرنا اخلاقیات کی تعلیم دینے کا سب سے قدیم طریقہ ہے۔ ایسوپ نے یہ طریقہ صدیوں پہلے اپنایا تھا۔ مشہور کہاوت ہے۔

"Tell me the facts and I shall learn, tell me the truth, and I shall believe. But tell me a story and it will live in heart forever."

"مجھے حقائق بتائیں اور میں سیکھوں گا، مجھے سچ بتاؤ، اور میں یقین کروں گا، لیکن مجھے ایک کہانی سناؤ وہ ہمیشہ دل میں زندہ رہے گی۔"

Story telling is the most powerful way to put ideas into reality. (Robert McKee)

خیالات کو حقیقت میں ڈھالنے کا سب سے طاقتور طریقہ کہانی سنانا ہے۔

The following story teaches us a good lesson.....

Once a flock of pigeons were flying over a vast field. There they saw a lot of grains (food) spread in the field. Some young pigeons proposed their leader to alight for food. The leader did not agree with them and warned them about the net set by the hunter, but instead of obeying the leader they gave many arguments, blamed him to be so coward. At last they compelled (forced) their leader to land to eat the grains. As they landed on the ground they were caught in the net. They cursed themselves for not obeying. They were very worried when they saw the hunter coming towards them. They requested their leader to solve the problem and do something to save their lives. The wise leader proposed to lift the net all together and flew away. Every one tried his best to lift the net so they succeeded to fly with the net. To the hunter it was unbelievable. Hunter tried his best to catch the net, but all vain. Allah had rewarded them on their unity and obedience.
